Agricola Le Grascete: Il Carraio IGT Toscana

Le Grascete is one of the smallest producers in Bolgheri making three big reds. The Sangiovese blend Grale is femininely and elegant. It is one of only a few blends using Sangiovese in the Francophile fury of Bolgheri. Antero, a mono-varietal of Merlot is an excellent value and mid-priced offering and Le Grascete's memorable Bolgheri Superiore is a blend

of 70% Cabernet Sauvignon and 30% Cabernet Franc, a baby Sassicaia if you will...Web site: [Le Grascete](http://LeGrascete.com)

**Il Carraio, 2016 IGT
Toscano 25% Sangiovese
25% Cabernet Sauvignon
25% Merlot & 25% Cab
Franc**

Production 10,000 Bottles

Il Carraio is the best of four different varietals that Bolgheri has to offer. A fresher version of its bigger Bolgheri brothers, it is meant to be drunk young, within the its first two years. First notes of mature cherries then with darker fruit on the finish. Sotto bosco characteristics, with hints of licorice, leather and cigar.

90 Pts.- Editor's Choice

A blend of equal parts Cabernet Sauvignon, Merlot and, Sangiovese, this shows an impressive jump forward in terms of intensity and complexity. This wine is generous, full and round and it offers flavors of cherry leather and chocolate. -ML

Antero, 2013 IGT Toscana Rosso Merlot -

Production 3,000 Bottles, Only in Outstanding Vintages

Antero also pays homage to the proprietor's grandfather and to Bolgheri's ability to

produce world class Merlot - as first proved by Masseto, one of the world's finest wines. Antero offers Bolgheri terroir and elegance at an affordable price. The nose is lush with blackberry, blueberry roasted green pepper and a hint of eucalyptus. Antero's palate is rich in blue and black fruit and is medium bodied. Fine tannins and acidity give structure and elegance.

A distant whiff of rubber or asphalt appears at first, followed by notes of black fruit, cherry, rum cake and licorice. This 70-30 blend of Cabernet Sauvignon and Cabernet Franc has a lean but powerful mouthfeel. - ML
