Verum winery and vineyards are a project from a rising star, talented young winemaker Elías López Montero, whose family has long been making wine and sherry in Tomelloso, a town in Castilla La Mancha, the largest wine-producing region in the world. Wine-culture tradition permeates everyday life and the customs of this town since its development was driven by wine making and distilling.

At Verum we have always been convinced that wine is actually made in the vineyard and this conviction governs our winery. Indeed, our wines acquire their

very essence from our vine stocks –many of which are over 50 years old.

EU Organic Terra Airén, 2018 AIRÉN 100%, Production 15,000 Bottles ABV 11%

Harvest of **60 year old pre-phylloxera vines** is manual and very selective; only the best bunches are used.

Grapes are cold macerated for 24 hrs. With free run juice extraction. No tartaric acid added, natural clarification. Lees aging for two months.

A mineral wine that expresses the character of our chalky soil. Citrus, fine white fruit and herbal notes on the nose.

The mouth is fresh, mineral and very well balanced. Notes of white fruit such as Asian pear and citrus. Clean crisp finish.
